# NEVILL INFANT NEWS

Dear all,

It has been another lovely week at Nevill Road Infant School full of great learning. I have had the pleasure of visiting classrooms this week and have seen some marvellous model making, fantastic phonics, brilliant behaviour, cool counting, superb spelling and amazing artwork.

I have also met with the Friends of Nevill Rd Schools and am excited about the upcoming events; helping to raise funds means the children receive additional resources and experiences; we are **very** grateful!

Thank you for remembering not to have scooters, bikes and footballs on the playground in the morning and after school; it certainly helps us keep everyone safe.

Quick reminder to make sure you have sent the permission form back to us for SeeSaw, our home learning platform.

Have a wonderful weekend everyone!!

**Mr Whitfield**

## HELP NEEDED

We are in need of 2 calm, nurturing, child-centred new members of staff to help support the children through lunchtime as Mid-day Supervisory Assistants. It is for a short time during the day from 12:00 -1:15 Monday to Friday. If you are interested and available to start fairly quickly, please speak to a member of the office staff.

### Recycling Week

Next week is Recycling Week. We will be taking the opportunity to talk to the children about recycling and how we can all do our best to reduce waste, recycle more and help save our planet. It would be great if you could do the same!!

### International Day of Peace

On the 21<sup>st</sup> September it is the International Day of Peace and this year the very important theme is '*Recovering better for an equitable and sustainable world*'. Children will be engaged in a range of activities including their own 'Peace Pledge' and we hope to produce a lovely display in school.

<https://internationaldayofpeace.org/>

### PE Kit Reminder

Just a reminder that children do not need to come to school in their PE kit. We want the children to learn to change swiftly and independently in school with support, which is a part of the statutory curriculum that begins in Reception.

This is from **Monday 20<sup>th</sup> September**

### After School Clubs

We are currently looking into which after school clubs we are able to offer and will pass on this information as soon as we can. So far we are hoping to provide sports / Glee / Dance / Gardening (subject to site clearance)

Friday 17<sup>th</sup> September 2021

### READING MORNING

Every Friday morning we would like to invite you in to the classrooms to read / share a book with your child. We know it can often be a struggle to fit everything in to the precious time you have at home so this is a good way to have some quality reading time. Doors will open at 8:30 and you can enter the classroom to share a story with your child. Please note, this is not a time to talk with teachers, the children will remain your responsibility until the bell goes and children must not be left on their own.

**Starts 8:30 Friday 24<sup>th</sup> September 2021**

### CAKE

On 24<sup>th</sup> September we will be having a non-uniform day in aid of Macmillan Cancer.

We will be selling cakes at the end of the day on the playgrounds (weather permitting). You can make cake donations by 23<sup>rd</sup> September – please remember no nuts / nut products (look out for ground almonds!)

Please support this very important cause which is special to so many of us.

Where has Mr Whitfield been this week?

Do you recognise these places in school?
