NEVILL INFANT NEWS

Dear all,

Thank you all for welcoming me into the Nevill Road Infants family, it has been a refreshing, challenging at times but thoroughly enjoyable first half term. We have done lots of work behind the scenes and had the pleasure of sharing some memorable moments with the children; Roald Dahl Day / Recycling week / International Day of Peace / National Poetry Day / Harvest / World Space Week / Black History Month to name just a few.

If you have managed to follow us on Twitter (@NRInfant) you will have seen the super photos of our learning – if you have not joined up yet, please do so.

It has been another busy week, with new parent tours (a great opportunity to show our school off), parent meetings via Zoom, a governors meeting, the start of reviewing our behaviour systems and deciding on our theme week for next half term.

Please stay safe and look after yourselves. Have a great half term holiday **Mr Whitfield**

COVID RESTRICTIONS

As many of you will have already heard from the news, local and social media we will have to ask of you 3 ways of managing the spread of infection we have had previously.

After half term:

- **Adults, please wear a face mask when you are on school grounds for drop off / pick up**
 - **Adults, please ensure you are keeping a safe physical distance**
 - **Please also increase the use of lateral flow testing.**

Staff will also be wearing a face covering for drop off / pick up & will be physically distancing where we can. Hopefully this will mean we do not have to go back to bubbles, separate drop off times and the much tighter levels of control we had previously.

BOOK CLUB

Don't forget to make your orders for books online using the link sent out last week from Mrs Agnew.

TRICK or TREAT

As Halloween will be happening during the half term holiday I imagine many of you will be celebrating in spooky style. At this time it is traditional to go 'Trick or Treating' to collect for sweets etc. Can I please urge you to do this safely by remaining very local to where you live, not allowing children to knock on doors unsupervised or without an adult very visible, try not to be out too late as it gets very dark.

Sometimes it is better to organise this locally amongst friends and known neighbours to remove the potential for any upset but still have a thoroughly enjoyable time.

Thank you!

Parking

There have been a number of parents / carers raise issues about traffic and parking around school. When / if you are parking on the roads near school please be mindful of pedestrians and ensure you park safely and legally. Let's try to keep ourselves and each other safe!!

Absence for appointments

Please can we ask that appointment letters are now provided to Mrs Agnew in the school office for dentist / doctor appointments occurring in the school day etc. If possible please arrange them for after school.

Important Reminders

Again we would like to remind you that dogs are not permitted on school premises at all. This includes carrying them.

Again we would like to remind you that smoking or the use of e-cigarettes/vapes are not permitted on school premises.

READING MORNING

Our new reading mornings have been a great success and it is lovely to see so many parents coming in to share a story with their child.

Please be aware, as a matter of some **importance**, this is **not** early childcare – you must stay with your child as the teachers may not be present to supervise. Sadly we have had a number of parents who have just left their children on their own in the classroom with no supervision – this is irresponsible and unacceptable and may jeopardise what is a lovely event for the rest of the parents and children.

AUTUMN SECOND HALF TERM

1st Nov Back to school

2nd Nov Flu immunisations

11th Nov Remembrance Day

WB 15th Nov – Anti-bullying / Road Safety week

18th Nov Governor Day in school
