# NEVILL INFANT NEWS

Dear all,

It has been a great week at Nevill Road Infant School once again.

As it has been anti-bullying week we have been learning all about what bullying actually means and what we can do if we ever experience this. We have been helping the children understand the difference between ... being mean ... having an argument ... and bullying. Above everything we want our children to be happy and safe; if they are not they should feel empowered to tell a trusted adult about it.

It has also been lovely to see everyone dressed in 'what makes them feel good' in support of Children in Need. Recognising and appreciating that children locally and nationally have lives full of struggle is difficult. Building a sense of empathy in our children is important for us so they can grow to accept others, appreciate what they have themselves and develop into even more wonderful young people. Our excitement is building rapidly as we get ready for Magic Week next week – the children will be engaged in activities too magical for words and we are all anticipating a brilliant and memorable experience.

## PARKING

As I am sure everyone is aware, the parking and car situation near the entrances to school are rapidly becoming dangerous. This includes cars parking on pavements, blocking, entrances and exits and placing children in a potentially harmful situation.

**We do not want an accident to happen for this to change.**

If you feel you have to drive to school drop off and pick up, please park further away from school and take the short walk to the school site.

The Friends of Nevill Rd and both the schools will be involved in designing posters and banners to encourage greater safety near our school.

If you have any suggestions on how we can make this situation better for all of us, please email in to the school office – thank you.

### Can you help??

We are looking to appoint 2 supervisors for lunchtime and after school club. The hours would be 11:30 – 1:30 & 3:00 – 6:00.

If you are interested or know someone who would be, please speak with Miss Spencer

### Parents & Carers getting involved

If you are interested in volunteering in school either by helping in class or with daily reading, phonics or maths learning please do get in touch so we can start the necessary checks and make sure you get the training and support from us you need to better help our children.

### **SEND Coffee Morning → Thursday 25<sup>th</sup> November**

We have arranged for a coffee morning open to all parents but especially those who have children with additional needs to come together for an informal coffee morning chat. We have invited some professionals along to help answer any questions you may have and we hope it will be a fantastic opportunity to parents of children with additional needs to begin to build their own support network.

Please be aware this may be cancelled due to ongoing Covid restrictions / precautions.
