# NEVILL INFANT NEWS

Dear all,  
**A B R A C A D A B R A !!!**

What a wonderful week we have all had – it has been an absolute joy to see the excitement, smiles, wonder and motivation from our Magic-themed week. The children have been eagerly involved in wand making, potion brewing, magic art, witch and wizard hat making and some wonderful dress up costumes. I hope you have all been tuned in to Twitter to see some brilliantly magical posts.

We are all continuing to fight infections and illness both COVID-related and otherwise; please help us all by continuing the usual precautions of face coverings / physical distancing / hand-washing etc. We also recommend the regular use of LFT tests and confirming a positive result via a PCR test.

If we could wave the magic wands we made this week and make it all go away, we most certainly would – have a safe and relaxing weekend.

## P A R K I N G

We are still continuing to monitor the parking situation both from a Junior and Infant perspective. To ensure you and the children all remain safe, we will keep checking and if there is a need, will have to ensure there is a greater parking enforcement officer presence.

### Can you help??

We are looking to appoint 2 supervisors for lunchtime and after school club. The hours would be 11:30 – 1:30 & 3:00 – 6:00.

If you are interested or know someone who would be, please speak with Miss Spencer

### Attendance & Punctuality

**A reminder that the school day starts at 8:55 (KS1) and 9:00 (N & LB) – registers close at 9:05 – after this time your child will be registered as late. The infant playground gate will be locked at 9:10, if you are late please go to the front office.**

### Parents & Carers getting involved

If you are interested in volunteering in school either by helping in class or with daily reading, phonics or maths learning please do get in touch so we can start the necessary checks and make sure you get the training and support from us you need to better help our children.

#### SEND Coffee Morning → Thursday 25<sup>th</sup> November

Sadly, this event had to be postponed due to continuing precautions regarding infection transmission. We will aim to hold this in the Spring term. Thank you for your understanding.

#### Sending learning home

We have had a few parents ask for work to be sent home when a child is ill.

We will only send work home for periods of COVID-related **isolation** or for non-illness related **recovery** i.e. post-surgery; if your child is unwell, they need time to get better without the extra pressure of completing work– we will catch them up with missed learning when they return.
