

Reception Home Learning

15th - 19th June 2020

Literacy (Writing)

- Draw a picture of your favourite animal and write some words to describe it
- Practise your handwriting using the video clips on the school website to help you

Maths

- Make a picture using different 2D shapes (for example, a house using squares, rectangles and triangles). Either draw the picture or make it using shapes you have around the house
- Practise adding and subtracting using objects

Personal, Social and Emotional Development

- Talk about all the things you are grateful for
- Write or draw the things you are thankful for

Topic / Art

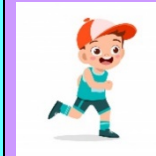

- Look at animal patterns and have a go at making some animal pattern art (you could use felt pens, crayons, paint, collage materials....)

Literacy (Reading)

- Read a story about an animal
- Talk about the characters and the story
- Can you find some non-fiction books or information texts about animals?
- Practise digraphs and high frequency words

Physical Development

- Make up a sequence of moves (for example a hop, jump, roll...)
- Practise the sequence and show to someone in your family
- See if they can copy your sequence
- You can make this as easy or as challenging as you like

Please use the Home Learning book sent home for work and you are welcome to send in any photos of activities your child has completed via email or school Spider. Thank you. reception@nevillroad-inf.stockport.sch.uk
