End of half term

Thank you so much for your continued support in what has been an unusual and tricky half term. We will continue to work in class bubbles going forward as this seems to have been successful in minimising the impact of positive cases.

School photos

School photos will take place on Wednesday 18th November. This will only be individual photos this year due to the added risks of having sibling photos.

Parents evening

Staff will send a short written report about how your child has settled and the progress they have made on Friday 13th November. There will be an opportunity to follow this up with a phone call at a later date.

Pantomime

We are delighted to let you know that they children will be watching a covid friendly performance of The Wizard of Oz on Thursday 19th November. This will involve one actor who will remain socially distanced, a giant TV screen and some clever technology. The Reception, Year 1 and Year 2 will watch the performance separately and the classes will remain socially distanced from each other.

We are so pleased that M and M productions have found a way to continue the performances that the children love in a way that we can all remain safe.

Nora

Nora is really enjoying the pieces of work that have been started already. If any parent would like their child to spend some time in Nora's presence to try and overcome their nervousness around dogs, please let Mrs Marshall know.

Covid and half term

Can I please request that if any child develops symptoms within 48 hours of school finishing and subsequently tests positive that you inform me as soon as possible at alison.marshall@nevillroad-inf.stockport.sch.uk so we can follow up any necessary contact tracing. This email address will be checked regularly.

Together Everyone Achieves More
